After the loss of former employees, Mark Selby, Rob Homan, and Steve Fitzgerald in such a short time, Julie requested a memory garden in their honor.

Another nod for our Project Manager
Yaunce Alexander

I want to take a moment to recognize the excellent work Yaunce has been doing throughout the remodel process.

He has been consistently responsive and thorough in his approach and has done a great job keeping the project moving along on what was a tight schedule. That combination is not easy to find, and it has made a noticeable difference in how smoothly everything has progressed.

Having recently gone through a home remodel myself, I can say firsthand that our experience with Yaunce has been far and above better than what I personally encountered.

His professionalism and attention to detail really stand out!
