

Brynwood Swim Club

Policies

The Brynwood Swim Club is operated by a Board of Directors, voted on by club members, who carry out the administrative functions of the club.

As a condition of membership, each member agrees that the Brynwood Swim Club is absolved of all liability in a cause of action where it can be shown that there has been a failure to comply with regulations stated herein. Each member shall also acknowledge that he or she has read, and agrees to comply with all of the regulations of the Brynwood Swim Club.

The attendants on-duty are authorized by the Brynwood Board of Directors to evict anyone violating or failing to comply with club regulations. The attendants are also authorized to enforce additional rules or regulations as may be necessary for the club to maintain the highest standard of operation. Repeated infractions will be referred to the Board of Directors, who at their discretion, may suspend the club privileges of the violator and/or his entire family. The club and surrounding areas are monitored 24 hours a day by video surveillance.

The attendants shall be obeyed by all those using the club. They shall act as representatives of management and shall have the authority to enforce these regulations and to supervise the general conduct of swimmers. Emergencies should be reported to the attendant on duty. Non-emergencies, comments and complaints should be submitted to the Board of Directors via email at brynwoodmembership@gmail.com. A member of the board will respond within a week.

The club does not always have a lifeguard on duty, because of this a Swim at Your Own Risk policy is instituted.
