Q & A

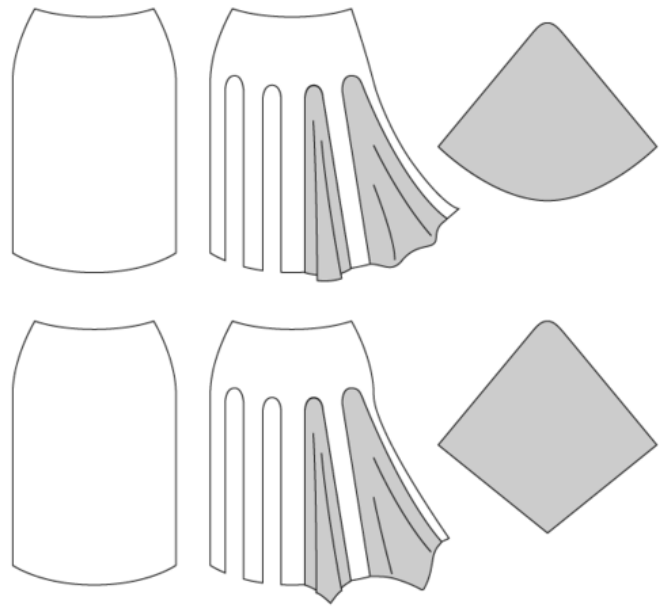

-What is Horsehair Ribbon?

Horsehair ribbon is a stiff synthetic material that, once upon a time, was made of horsehair added into hems.

-What is a Godet?

A godet is a panel that is added into your skirt to give it more volume, depth, and swing. Commonly found in mermaid styled dresses and skirts.

- What is the preferred timing for alterations?

Non-Brides preferred lead time is 2-3 week minimum from the date of the event. Earlier is always better!

Brides preferred lead time is 2-3 months prior to your wedding, but the earlier is always better. Make sure to let me know if you're planning any weight loss or if you're pregnant. We specialize in weight planning to ensure your dress is perfect for your special day!
