

The Nicholas Center

Innovate, Inspire & Include

We invite you to partner with The Nicholas Center to offer employment experiences and jobs to Autistic individuals.

NYS Governor Hochul announced new initiatives focused on enhancing support for New Yorkers with disabilities as part of her 2025 State of the State including:

Expand the NYS Tax Credit for Businesses that Hire People with Disabilities
*The Workers with Disabilities Employment Tax Credit supports businesses in employing people with disabilities and making reasonable accommodations for workers with disabilities. Governor Hochul announced plans to **increase the maximum tax credit from \$2,100 to \$5,000** and simplify the application process to increase the number of businesses successfully welcoming employees with disabilities.*

The Nicholas Center is proud to support Autistic individuals in pathways to employment, including seeking career and business opportunities, internships and supported onsite employment experiences leading to paid employment.
