

Harvest Party

Plant A Row was excited to host our third annual Harvest Party on August 21 in celebration of our volunteers and supporters. We had a blast catching up with so many friends while listening to the fabulous music of The Front Porch Players and enjoying treats from Serra Provisions and Smusht.

Thanks again to the Helen Keller National Center for all their help, including providing the tables and chairs at our mini farm location. We also appreciate the assistance with serving the food and beverages from the team at Laffey Real Estate.

Celebrating partnerships

We had a great time accompanying **The Nicholas Center Navigators** as they made their rounds watering our painted planters.

On September 13, Plant A Row volunteers had fun joining **The Community Chest of Port Washington** to march in our town's annual Pride in Port Parade. Walking along Main Street and up Campus Drive, we enjoyed seeing the spectators of all ages lining the streets to cheer on local organizations, as well our schools, the Schreiber Athletics Hall of Fame Inductees and Grand Marshall Rachel Fox.

Plant A Row is grateful for our long-standing relationship with the Chest, and we were honored to be part of this much-loved community tradition.
