Musical Inspirations: Oasis

Oasis is one of my favorite bands. Liam Gallager is the lead singer, and Nolan Gallager is the lead guitarist and singer. They are two british brothers and they formed in Manchester in 1991. Their style of music is alternative. Four of my favorite songs are Supersonic, Champagne Supernova, Don't look back in anger and Wonderwall. It's their 30th anniversary this year. They got inspired by The Beatles, Led Zeppelin, Rolling Stones and many more. Overall I like this band a lot because they inspire me, and I'm even performing one of their songs in my band!

Cultures From Around the World: The United Kingdom

The United Kingdom consists of four countries such as: England, Scotland, Wales and Northern Ireland. Each region and city of people has their own identities. People from the North of England are thought to be more direct and outspoken than those from the South. To the Brits humor is incredibly important. The United Kingdom is very multicultural. They respect all beliefs and cultures. It is against the law to discriminate against someone's race, gender, sexual orientation, age or disability. Many immigrant's want to come to the U.K. because they find it accepting and friendly. Overall the United Kingdom is a good place to live.

Animated Characters: Ronnie Anne

Ronnie Anne can live in The Great Lakes City and move out of Royal Woods. Ronnie Anne is Lincoln Loud's friend in The Royal Woods Middle School and is also best friends with Sid Chang in the apartment next door. Ronnie Anne can skate with her friends to hang out together. Ronnie Anne likes to live in the apartment with Bobby, Carl And CJ and Talk about Spanish and the lessons. Ronnie Anne dates Lincoln Loud in different episodes like Prankanniversary, The Horoscope and The Great Lakes Freak Out On Halloween. The thing I like about Ronnie Anne is when she is friends with Sid Chang and Lincoln Loud In Great Lakes City.

Pet of the Month!

The Town of North Hempstead Animal Shelter

Banjo is a 2-3 year old Cattle dog/ shepherd mix (our best guess!) that recently arrived at the shelter as a stray. Banjo can be a bit shy when meeting new people, but once he warms up is friendly, active, and playful. He walks well on a leash, takes treats nicely, and gets along with other dogs. Banjo would thrive in an active household with some dog experience.
