Missionaries of the Week
Andy & Carol Patton

Agora Evangelism Ministries - Pray for churches which are using the Soul Winner's Club material to have success and see the Lord working through what they are learning. Pray that many will come to Christ through this ministry.

Andy and Carol Patton, Iquitos, Peru -. Pattons have been busy renewing driver's licenses and passports, visiting sons and daughters in the U.S. and keeping ministries going in Peru. These include:

Bible Institute: Andy has two more sessions of his Cults class to teach. The institute will be having some sort of closing ceremony and possibly a graduation as well.

Princess Club: The Princess Club was originally going to run until the month of January, but everyone is looking into the possibility of ending everything by December. The club would have another meeting or two, but the closing ceremony or banquet is also something they would like to have.

Punchana Baptist Church: The church has an ongoing construction project related to the water processing plant that they are putting into place to provide filtered, potable water for the surrounding community.

Cocama Tribal Ministry: The Cocamas we visit every week have agreed to also host a Christmastime child evangelism program that will take place around December 14th.
