Ron and Nancy Minton and Tanya K, (currently in the U.S.)

Ron writes:

Our college, International Baptist Bible College has classes in eight countries including several African nations as well as Ukraine. In Ukraine good classes were held, and in spite of the war, a lot more ministry was accomplished there, including personal evangelism, sending aid, and personal visits to military hospitals to pray for the wounded and to witness to them. Thank God for each one who helps and prays for wisdom as I try to keep the college going strong. No job could be better than spreading the Word of God around the world.

Nancy. Her Alzheimer's is real and there is slow but real cognitive decline.
