**Ole and Renee Konnerup, Baptist Bible Fellowship, Nairobi Kenya, currently in the U.S. for health reasons**

"Renee has had her second knee replacement and everything went well. She has started physical therapy. She is certainly in pain and would appreciate your prayers for her at this time. She also continues with her immunotherapy treatment. She hopes to finish this treatment in the next three months. By then we should be able to make it back to Kenya, the Lord willing. Please pray as we prepare for our return to the mission field.

Concerning several court cases I am involved in. I am hearing that four of the five court cases may be finalized in the next two months. This is what we are hearing from those who are helping during our medical leave. Thank you so much for your prayers and continue to pray that God's will be done."

**Renee Bollas, CEF director for AA and PG counties - Praise God for Renee who has volunteered to fill the vacancy following Pat Lackey's**

retirement. Pray that she will be able to make connections with all the club leaders and churches which support the ministry. Pray also that more clubs can be started in schools in our area and for preparations for summer Bible Clubs.
