Harold & Shawne Ebersole

Ole & Renee Konnerup, Baptist Bible Fellowship, Nairobi, Kenya

Renee has finished her immunotherapy treatments for breast cancer and is receiving physical therapy for her 2nd knee replacement. They are hoping to return to Kenya at the end of July. Pray for travel mercies as one flight last sixteen continuous hours in the air. this is followed by a 5-hour flight to Nairobi.

After they get settled in, Ole will be teaching a course on Church Growth to about 40 men who desire to be pastor or missionaries.

Harold and Shawne Ebersole, ABWE Bangladesh, currently in the U.S. for health issues

Harold's blood tests show low iron, so he's on potent medicine Shawne writes: Thank God with us, his cancer remains in remission, and the injected immunoglobulins enable him to be with people. He continues working on Bangladesh project finances and Zoom-talks with tribal leaders. Shawne continues preparing books for Literature Division.

Ask God to use the several projects Shawne and Harold are working on to further the Gospel in Bangladesh. Pray also for good health for them both.
