Persecuted Christians

International Day of Prayer for Persecuted Christians – November 1
On the Arabian Peninsula, when men and women leave Islam to follow Christ, the first opposition they face is often from family members.
Our Christian brothers and sisters are shamed and rejected. They may be beaten or humiliated. If they do not return to Islam, they are abandoned, imprisoned, or killed.
Joining other believers for worship and fellowship is difficult, so persecuted Christians in the

Arabian Peninsula are isolated.
But our Christian family members are resolute in their faith, determined to stand for Christ at any cost.
Please pray for them to have access to the Word of God, help and support from other Christians, Godly teaching and to be a bold witness for Christ.
