David & Marsha West

Corrie ten Boom: "You sit still and trust the engineer."

David and Marsha West – BIMI - Marlartic Canada
Paise for a safe trip to and from Alaska – 6,044 miles. The only mechanical trouble was a tire on their travel trailer. They had a very nice visit with their daughter, son-in-law and grand kids. They ask that we pray for their youngest granddaughter to accept Christ. Also ask for prayer for the former pastor of the church where their daughter and family attend – he has cancer and a heart condition. Pray for new pastor.
Pease pray for their son-in-law's grandparents in Saskatchewan. They are dealing with Alzheimer's disease.
Praise for several supporting churches visits in Canada.
Pray for David and Marsha as they catch up on all the work in Marlartic that did not get done while they were away.

Chase Wood – Good News Jail and Prison Ministry
Praise that he is able to continue to work with inmates that need to hear about and accept Jesus. Pray that they are able to continue to distribute Bibles and Bible lessons to inmates that are interested. Also, praise for volunteers who come in to teach Bible lessons and those that support the Bible lesson program.
Please continue to pray for health and safety for Chase and volunteers and for positive response from inmates and staff.
