review	29 No School Memorial Day	30 Playdoh fun	31 Sensory Bin fun		

Dear Families,

This year has flown by way too fast. Your kids have been amazing to teach and watch them all grow. I hope and pray you and your kids have enjoyed every minute of this year. It has been a great year so far. They have learned so much and have such a bond with one another.

This month we will be learning about God guides his people for 2 weeks and The Fruit of the Spirit for 2 weeks. The activities with these lessons come on truewaykids.com.

The kids love and learn so much at circle time. We are finally getting to the end of the alphabet. This month we will be doing U,V,W,X. They have been loving learning all they have.

Your children are amazing and it's been so exciting to watch them grow so fast this year.

Important dates to remember:

No School Monday May 29th in observance of Memorial Day. Have a good time with your families!

God's blessings to you all,
Carrie P.
