Dear Parents,

Here we are.. a new month, with new things to learn and explore. November will be a month of sharing and giving thanks to everything in our lives. From learning about harvest time and all about corn and leaves. We will be making a pile of leaves and jumping in them and Thanksgiving crafts. Cold weather will be coming upon us please make sure they have gloves and hats so we can still make it outside sometimes. We love to sing Jesus loves me and doing art and musical movement- we love the animal song.
