Dinosaurs	28 Draw your own dinosaur	29 Dino stomp	30 Fun day!			

Dear Discovery II Families,

WOW, November already ! These months are flying by in the Discovery 2 room. We are having a blast learning about ourselves as well as learning about our friends.

This month we will be taking a look at what is on the farm , we will get to explore space, talk about what we are thankful for, and hang with the dinosaurs. We are so excited for this month.

As we are getting very comfortable with each other in our class we are noticing some rough behaviors amongst each other as we play. We are continuing to work on using our words instead of our hands as well as when it is appropriate to have this rough play. As teachers we know this is age appropriate and we don't mind allowing this type of play, but it should be in the correct setting so that we can play safely. We ask that you please remind your children that we do not want to hurt our friends when we are playing with them.

We can't wait to see all the fun we'll have this month and look forward to all of our fun activities! As always if you have any questions or concerns please do not hesitate to reach out by email at Cassie.kolhouse@mdoracine.com

Blessings,

Discovery 2 Teachers

Cassie Kolhouse

Maddie Wright

Sue Getzin

A few reminders:

1. Please dress your children accordingly for the weather. We are very close to the lake and temperatures can be cooler. Consider leaving a sweatshirt in your child's backpack as a back up.
2. Please dress your child in play clothes. We do use washable paint and smocks, but accidents do happen.
3. Please make sure your child has extra clothes as accidents while potty training can happen :)
