Songs Books & Games	Pumpkin pie book	Jesus loves me	Spot's Thanksgiving	Llama Llama gives thanks	Baby's first thanksgiving	I'm a turkey song

Dear MDO Families-

We have had an amazing two months so far with our little friends! It has been nice to get to know some new friends, and continue to learn more about our returning friends from last year! This month, our class includes nine infants that I would like to talk about...

- Addie is our brand new infant as of November 1st, and we are so excited to get to know her!
- Seqai is one of our new babies as well in the infant room, and we just adore him! He will be 4 months old in the middle of November, so he is just a little peanut right now!
- Asher is still our little explorer, who loves to look at the things on the walls and all of the colors throughout our room. He will be half of a year old this month, which is just crazy to his teachers; we remember when he was first born!
- Bodhi will also be 6 months old this month, wow! We remember when Ms. Cassie was pregnant with Bodhi, and watching him grow has been so much fun!
- Breyden is so close to being a year old!! He has grown so much here at MDO, and we love watching him discover new things.
- Griffin is our third 6 month old baby this month, even though he is such a small baby to us! Griffin babbles and smiles at his teachers ALL of the time and we have loved to learn his little language that he speaks lol.
- Harlow is one happy baby! She will be 7 months old soon, and wow has she grown a lot. She is so smart and curious about her surroundings, we love to see her eyes wander around our room and smile at all of her new discoveries.
- Rocco is still our little blondie boy, and we just love him! He is such a good friend to the other children in his class, and he loves to share his toys. It is crazy to think that he will be 1 years old in January!
- Connor is so close to being a 1 year old, just one more month! He is such a sweet boy with a big heart for his friends. Getting to see him build relationships with other children and ourselves has been such a joy.
- We will also have Mr. Owen joining us at the very end of November, and we are so excited to meet him!

Reminders

- Please label EVERYTHING that comes to school with your child, this makes it easier for us to make sure everything goes back home with the right child
- You may bring any food, extra clothes, diapers, wipes, diaper cream, etc. for your child to have kept here in their cubby- we will let you know when we are running low on any items

- We try to update Procare as often as possible throughout the day, but sometimes we are busy with our littles in our classroom so please keep that in mind(:
- We like to take walks when the weather is nice, and with us being very close to the lake it can get a little chilly. Please pack a jacket for your child in their backpack just in case

If there is anything that you need please, feel free to reach out to me via email at ava.allred@mdoracine.com, Ms. Christine at christine.horn@mdoracine.com or you can also reach out to Ms. Shana at shana.bedford@mdoracine.com, We are grateful that we have the opportunity to take care of your child and have the chance to watch them learn and grow. We are going to have another great month!
