Reminders

- Please label everything that you send with your child, this helps us make sure that everything goes home with them AND that we do not send their items home with another child.
- Each child has a cubby that stores extra clothes, diapers, wipes, diaper cream, eczema cream, any meds that we are given permission to administer, blankets, etc. You may bring whatever your child needs to be happy and comfortable during their day at school, and we will keep it safe in their cubby!
- We WILL be taking walks now that it is warmer outside, please bring a light jacket for your child, as we are close to the lake still(!):

Here's to hoping that we are ALL healthy this Spring. Our staff and students have had a rough go of it with colds, and the stomach bug in particular. We are happy to all be feeling better and for it to stay that way! Warm weather here we come!(:

Please note that our center will be closed on Monday, May 29th in observance of Memorial Day.

If there is anything that you need please, feel free to reach out to any and all of our infant teachers via email:
