Summertime	29 NO SCHOOL	31 Sunshine	1 A Day At The Beach	2 Water Sensory Popsicle Art	3 Picnic Free Play Outside	*weather pending for picnic day*

Dear Families,

I cannot believe our time together is coming to an end. We have a little over a month left and I am blown away by the progression I have seen from each of them individually and how we have come together as a class. We are hoping for some awesome weather in May so we can have class outside. We will be going outside as often as possible, so please make sure your child has the proper attire. A sweater or spring jacket would be essential for your child to have every time they come, the breeze can be chillier down here by the lake. They have all been a little stir crazy since coming back from Spring Break.

Our academic themes for May are Gardening (which is my favorite lesson by far), Community Helpers, 5 Senses, and Summertime! So

MDO will be **closed** in observance of Memorial Day on Monday, May 29th. We will resume class on Tuesday, May 31st.

Ms. Emily and Ms. Betsy
