Down On The Farm	25 What Grows On A Farm?	26 Sensory With Chocolate Pudding	27 Farm Sensory Bin	28 Paint Paper Plate Pig	29 Music and Movement	

Dear Families,

Welcome to July in the Toddler 1 class! This month we have a lot of fun themes for every week that we will incorporate into our daily activities! We are so excited to watch our classmates learn and make memories every day. Just a reminder that we will bring our class outside every day weather permitting so please provide your child with sunscreen that is clearly labeled with their name or initials and safe play shoes! Please remember to check our website often for updates regarding our class schedule, activities planned, and announcements at [mdoracine.com](http://mdoracine.com)!

As always we will be incorporating our ABC Jesus Loves Me curriculum into our every day learning and education. We “plant the seed” of Jesus by praying before meals, reading Bible stories daily from our classroom’s Beginner Bible, and continuously providing a loving and warm classroom environment.

Lastly, we are asking parents to provide a 2 part snack (enough to feed 16 children) for the month of July. Please bring in snacks the first week of the month and we ask that one snack be a perishable item (fruit, veggies, yogurt, dairy) and the other snack be a prepackaged snack (crackers, cereal bars, cheerios, graham crackers, ritz crackers, teething wafers). Please keep in mind that our classmates are between the ages of 9 months and 18 months when picking out snacks. We will be happy to cut up any fruit or vegetables you provide.

A few reminders:

1. Please dress your children accordingly for the weather. We are very close to the lake and temperatures can be cooler. Please also provide a change of clothes for your child in case of accidents.
2. Please dress your child in play clothes. We do use washable paint and smocks, but accidents do happen.
3. Please make sure all of your child's belongings are marked with their name. (Sleeping Bags, lunchbox, bottles, etc.)

We are looking forward to a wonderful July! If you have any questions please feel free to email us or reach out via the procare app!

Ms. Carrie
