Reindeer	28 Open play	29 Paper plate reindeer	30 Music and movement	1 Handprint reindeer ornament	2 Water sensory bin	

Dear Families,

Welcome to November in the Toddler 1 class! We have some very fun themes for this month including the color orange, reindeer, and being thankful! We will center our crafts and sensory around these themes and we are so excited to head into this month with so many memories already made!

Please remember with the changing of seasons we will still go outside weather permitting so please label all coats, hats, sweatshirts, gloves, etc with your child's initials or first name and please send shoes for your child even if they are not walking yet to make sure their feet stay warm on our autumn walks!

A few reminders:

1. Please dress your children accordingly for the weather. We are very close to the lake and temperatures can be cooler. Please also provide a change of clothes for your child in case of accidents.
2. Please dress your child in play clothes. We do use washable paint and smocks, but accidents do happen.
3. Please make sure all of your child's belongings are marked with their name. (Sleeping Bags, lunchbox, bottles, etc.)

We are looking forward to a wonderful November! If at any time you have any questions or concerns, please feel free to contact us by email or via the procare app!

Ms. Carrie
