Dear Parents,

We have really enjoyed your children these past two months and have noticed many growths and changes from when we started school in September. It is wonderful to see the children happy to be at school; they are such a joy! We work on personal/social development. The use of please and thank you, sharing, taking turns and gentle touching.

We have fun stories and creative art projects full of colors. We will also talk about Thanksgiving and all the things we're thankful for. We have silly games like "Scarecrow Joe" and "Did You Ever See A Turkey?". We have a class that loves songs, stories, and rhymes.

MDO provides snacks with water in morning and aftercare, 2% milk is offered with lunch. Unless otherwise noted, water is given if the child does not drink milk.

As a reminder there will be no school on November 23-25

Thank you,

Ms. Barb
