DEFENSIVE FIREARMS TRAINING
CCW | OHIO CHL | FIREARMS SAFETY | ADVANCED CCW

OHIO CCW | CHL

COST \$100. This class is designed to teach the student the basic fundamentals of handgun handling and safety and entails classroom instruction and range training. Ohio CCW laws and CHL holder's responsibilities are also discussed in detail. Ohio sets the minimum training standard for obtaining a CHL (Concealed Handgun License) at 8hrs of which 2hrs must consist of range training. This class exceeds Ohio minimum standards with typical one day classes being 10 +/- hrs. Class cost is \$100. High quality firearms designed for concealed carry are provided at no cost for those who don't yet own a suitable concealed carry firearm. There is an additional charge for ammunition if you do not bring your own. Minimum 50 rounds ammunition required with many students shooting 100 to 200 rounds for this class. All firearms training is conducted at distances applicable to Concealed Carry and Self Defense. One and two day classes offered. One day class limited to 4. Two day class limited to 8. My classes are not budget priced classes packed full of students designed to get thru as quick as possible. They are designed to educate you and prepare you for the next step you take in personal self-defense.
