CONCEALED CARRY; NEXT STEP BASICS

COST	\$125/student
CLASS SIZE	Min 3, Max 6 students
LENGTH	Approx. 6hrs.
PRE-REQUISITE	Prior Basic Handgun Class, Ohio or equivalent CCW/CHL Class
REQUIRED	Your CC Firearm, CC Holster, minimum 200 rounds ammunition, eye/ear protection, cleaning kit. NO SHOULDER HOLSTERS
Recommended	Single and/or double magazine pouch, Speed Loaders, Speed Strips, IFAK

You've taken your Concealed Carry class, purchased or already own your CC Firearm, and maybe obtained your Ohio Concealed Handgun License or other state equivalent. You want to progress your shooting skills and competency further, learning using your own CC firearm while under the direction of a Certified Firearms Instructor. The CONCEALED CARRY; NEXT STEP BASICS course is for those who have previously taken a Concealed Carry class and/or have obtained your Ohio Concealed Handgun License or equivalent from another state. This class expands upon the basic skills learned in your Concealed Carry class.

Topics covered include the following (contingent upon student capabilities, experience, prior instruction):

- Rules for Handgun/Firearm Safety
- Firearm disassembly, maintenance and function
- Dry Fire practice; handgun defensive handling and presentation, stance, sight alignment, target accusation, trigger press, proper grip, manipulation, magazine loading, defensive techniques
- CC draw techniques from a holster, holstering
- Aiming, sight alignment, long range practice
- Point & Shoot, short range practice
- Strong hand/Weak hand practice
- Recoil management and trigger control
- TAC TAC (multiple shots, single and multiple targets)
- Malfunction recognition (Tap-n-Rack)
- Rapid Reload/Tactical Reload
- Skills will be practiced indoor and outdoor, using your CC Firearm and Shot Indicating Reset Trigger training pistols

At the conclusion of this class, you should be able to perform the following shooting skills;

- From 10ft, draw from holster, shoot 4 separate 5 shot groupings in 4" targets, re-holster
- From 15ft, clear a malfunction during live fire, continue firing, all shots hitting silhouette target
- From 15ft, during live fire, rapid reload, continue live fire, all shots hitting silhouette target
- Short range point and shoot (instinctive shoot), all shots hitting silhouette target
- From 25ft, draw from holster, fire 10 rounds, all rounds hitting silhouette target center mass
