Letter from Ms. Cooper

Dear Choir Students and Parents/ Guardians,
Thank you for a wonderful year! I want to take a moment to express my gratitude to all of you for your hard work and support of our choir program at East.

To my choir students:

Your dedication and effort throughout the year in class and rehearsals made me so proud. Your commitment to learning new music, new ways of teaching and making the class a better environment all contributed to the amazing year we've had together.

To our parents/guardians:

Thank you for your ongoing support of our choir program. Your attendance at performances, assistance with fundraising, and overall encouragement mean a lot to me and to the students. Your involvement is crucial to the continued growth and success of our choir, and we are grateful for your contributions.

Looking ahead, I am excited to continue making music together and building upon the progress we've made so far. I am so glad to call you all my students! I am grateful that I get to continue growing with you all. I know that the future holds great things for this program. Thank you again to all of our choir students and parents for your hard work, dedication, and support.

See you in August!

Warm regards,
Ms. Cooper

Firework Fundraiser

We are selling fireworks at Wal-Mart in Franklin. We are at this location because this is what was available when we started this fundraiser last year. This is one of the biggest fundraiser we host. There will be a lot of volunteer hours. We are working on transportation for people who cannot drive to Franklin.

Christina will be hosting training via Zoom. It will be important to attend. Important information will be given out during this training. Please make sure to include your email when signing up for volunteer hours. Students and adults should attend training. If for some reason you cannot attend please let Christina know via email (cbarnett1031@gmail.com) and she will get you a recorded copy of the training.

Training Days (you need to attend one):

Thursday, June 13th @ 8:00 p.m.

Monday, June 17th @ 8:00 p.m.

See the link below to sign-up:

We will need a few volunteers for June 23rd but we do not have a time yet. Check back for updates.

When signing up July 5th and 6th are NOT guaranteed days.

These days will depend on when we run out of inventory.
