Horror Fans Are Set to Be Thrilled as *Naked Zombie Girl Is Back!* Premieres On the ScreamFest Screen

Movie nights have an extra kick as the audience settles in to watch the mind-blowing horror film produced by Hectic Films

No movie genre exposes its audience to a wide range of emotions like horror movies. A good horror movie is written to explore the natural instinct of fear and phobias, building on the setting, sound, suspense, and subtle actions to draw and keep the audience's eyes glued to the screen. This movie genre has been recognized and appreciated for its ability to portray stories in an intense and interesting manner, sending wave after wave of goosebumps and an adrenaline rush to its viewers. "*Naked Zombie Girl is Back!*" is a horror film that is certain to keep horror fans on the edge of their seats.

Naked Zombie Girl is Back! is a story about Barbara, who fights to survive the zombie apocalypse armed with only a chainsaw and her birthday suit. Filled with gory action, dynamic actors, and heart-stopping scenes, the horror short film from the stables of Hectic Films was made to satisfy fans after the release of its first original short film titled, *Naked Zombie Girl*. The release of the first *Naked Zombie Girl* film raked in over thirty awards and over two million views worldwide on YouTube.

The short horror film, *Naked Zombie Girl is Back!* is set to have its world premiere on the 16th of October 2022 at 4:30 pm at the ScreamFest screens in Hollywood in Short Block 7. In addition, the film will debut on the big screen at the Chinese Theater in Hollywood. Furthermore, *Naked Zombie Girl is Back!* features some of the most highly sought-after budding talents in Hollywood, such as; Nicole Cinaglia, D.T. Carney, Robbie Allen, and Ivy Polkinghorne. The writer and director of *Naked Zombie Girl is Back!* California-based Rickey Bird also plays an exciting role in the reboot film.

ScreamFest is the longest-running film festival that provides a platform of exposure for films and filmmakers in the horror, thriller, and sci-fi genres. The festival is committed to promoting lesser-known films in an appreciation of their effort to contribute to these classic genres. This year's ScreamFest will be running from the 11th to the 20th of October, where fans will have a close-up view of the latest zombie, vampire, gothic, or psychological horror films.
