

Dear Parents participating in TCHS programs in Fall of 2021

We've had to scramble to get fully registered and paid TCHS members their ice time and had to turn away recent registrants due to having less ice permits. The following explains what had transpired,

Our Sunday ice at Vaughan Sports Village was supposed to be initially 7:00AM (morning) but then was switched to 7:00PM just a few weeks ago. For some of you this time change was welcomed but many left and ended up joining a house league program to ensure daytime weekend ice time.

Well, just yesterday, I found out that 7:00PM (evening) is an error and it should be 7:00AM (morning). Needless to say I did not accept the 7:00AM ice time as it is now too late to make a morning program viable.

And this is on top of the fact that we also lost Saturday Rosemount CC 7:00AM (morning) ice. But that happened in early August so that did not contribute for TCHS having to scramble the past few days.

**Please rest assured we are looking for suitable locations to replace Sunday 7:00PM as the other main ice user group will have to release ice soon especially if public skating is cancelled as those slots will be vacant. It may be at Woodbridge Arena, Al Palladini CC, Maple CC, or Rosemount CC. No ice at Garnet Williams as it is closed for renovations for at least until 2023.**

**If the times/locations offered by end of September do not work for your family you'll receive a full refund of any fees paid for Sunday ice times and there will be no admin charges whatsoever.**

These details should not be the concern of our terrific TCHS members but thank you for reading and your ongoing understanding and patience.
