

How to install the new ATV-STORE (Android TV-Store)

1. Allow installs from **UNKNOWN APPLICATIONS** in your device settings.
2. Ensure that your **DOWNLOADER** app permissions have access to **MEDIA & FILES** and has permissions for **UNKNOWN APPLICATIONS** set to **ON**.
3. Open the Downloader app and enter **DOWNLOADER CODE 3676691** to download the ATV (Android TV) APP STORE.
4. After the install is completed, launch **the ATV-STORE** app and enter the **6-digit PIN 485691** from your ATV-STORE dashboard to pair the app with the **StreamHeroTV app store**.
5. **YOU ARE FINISHED!** You have successfully connected to our app store and will have instant access to all our apps going forward. The next time you need an app, just launch the **ATV-STORE** app.

We will add more applications to the store as we move forward.
