

Setting up your new ANDROID STREAMING DEVICES

1. First step is to associate your new device with a GOOGLE ACCOUNT. If you don't already have a GMAIL account, follow the steps to create one.
2. Then complete the 1st-time setup steps.
3. FROM the APPS option on the menu, search for DOWNLOADER. You are looking for DOWNLOADER by AFTVNews. It is a FREE APP.
4. Next, you will need to enable DEVELOPER MODE.
 - A. Navigate to the COG/GEAR WHEEL next to your user account in the TOP RIGHT corner of the HOME SCREEN.
 - B. Click SYSTEM then click ABOUT on the POP UP MENU.
 - C. Scroll down to ANDROID TV OS BUILD and click SEVEN TIMES until DEVELOPER MODE is ENABLED. You will see a POP UP message when successfully enabled.
5. After you have enable DEVELOPER MODE, launch the DOWNLOADER APP that you installed.
 - A. Enter DOWNLOADER CODE 3529552. You will be RE-DIRECTED to the StreamHeroTV app store.
 - B. Select the app that you want to install. NOTE: You may see a message that the app you are installing is UNSAFE. This is because the app is not registered on GOOGLE PLAY. C: From the dropdown, select INSTALL ANYWAY and follow the prompts.
