

EASTERN SHORE WATERMAN GROUP (ESWG)

Capability Statement

Eastern Shore Waterman Group (ESWG) is a Service-Disabled Veteran-Owned Small Business (SDVOSB) and HUBZone-certified Limited Liability Corporation (LLC) with over 40 years of experience in residential and commercial general contracting services. Our team also brings over 30 years of expertise in commercial overland logistical services, more than 20 years in both uncleared and cleared information technology (IT) support for U.S. Government networks, and over 20 years in program management of U.S. sensitive activities both domestically and internationally.

Core Competencies

- General Contracting & Construction Services: Specializing in residential and commercial construction, renovations, and infrastructure development.
- Logistics & Transportation Services: Providing overland freight movement, supply chain management, and secure transport solutions.
- Information Technology (IT) Support: Offering uncleared and cleared IT support for U.S. Government networks, cybersecurity solutions, and data management.
- Program & Project Management: Expertise in strategic planning, contract execution, compliance oversight, and risk mitigation for U.S. Government operations.

Differentiators

- Certifications: SDVOSB and HUBZone-certified
- Experienced Leadership: Strong leadership with extensive federal government experience in program management, IT, logistics, and contracting.
- Commitment to Quality: Dedication to high-quality service delivery with a focus on compliance, efficiency, and mission success.
- Financial Stability: Established financial stability with secured business banking and veteran business lending resources.
