McNeill Family Scholarship Committee

High School Graduation Recognition

Application Guidelines

Deadline: June 30th

This application is for McNeill Family high school graduates that do not wish to apply to the McNeill Family Scholarship but would like to receive recognition for their high school graduation achievement. A monetary recognition award of \$250.00 will be given to the graduate once the application is completed and received. This is one way that the family can acknowledge your accomplishments without you having to commit to the scholarship criteria. The scholarship application is still in place and you are encouraged to apply for it. But, if you prefer not to do so for whatever reason, this option is available to you. The family extends to you, congratulations and wishes you much success as you forge ahead in your future endeavors.
