

McNeill 50th Family Reunion Family Tree

In the center of life's garden
A mother gently sows
A special seed, a seed of love
That sprouts, then grows and grows ...
From day to day, from year to year,
She nurtures it with care,
Yet, understanding of its needs,
She gives it room and air ...
Through winter, and through summer,
Through sun and rain filled hours,
The seedling reaches upward,
It branches, and it flowers ...
In the center of life's garden
Grows a thing of majesty,
Rooted well with mother's love –
A blessed family tree!
