Dear Clients and Colleagues,

I am writing to introduce our company, Flow Atlantic LLC, a woman-owned manufacturing representative firm. Our diverse and innovative team brings together years of knowledge and experience in the HVAC and plumbing industries.

As the President of Flow Atlantic LLC, I am proud to lead a team that truly values expertise, customer service and a commitment to excellence. Our goal is to represent manufacturers who are leaders in their respective fields and to provide them with unmatched service and sales support.

Our team's approach is centered around understanding the unique needs of our clients and solid communication. We bring a fresh perspective to the industries we serve and are committed to representation that drives growth and efficiency.

I look forward to the possibility of working with you and would be happy to provide any further information you may require about our services. Thank you for considering Flow Atlantic LLC as your trusted manufacturing representative firm.

Sincerely,

Leigh Ann Groons

President, Flow Atlantic LLC
