PBP Area Report

PBP continues to meet every Friday from 7:00 until 8:00 PM and every Saturday from 6:00 until 7:00 PM. We continue to struggle with our attendance numbers both on Fridays and Saturdays. On Fridays dependent upon whether New Life attends our attendance averages anywhere from 2 to 12 people. On Saturdays attendance averages also depend on whether New Life attends averaging the same as on Fridays. We are down to three active home group members and we are trying to juggle having people to open and chair meetings. With only 3 active home group members We have one member who chairs always on Friday nights, one who chairs always on Saturday nights and one sub. This setup puts tremendous stress on the 3 active home group members. We are discussing what would be best for everyone, the home group members, the newcomers, and the community as a whole. One consideration is to only have one meeting on the weekend, rather than two, have the meeting day be either Friday or Saturday but not both nights. We hate to close the doors on one meeting so we are not rushing into any decisions yet. Anything Area may have to offer in terms of suggestions and support would be greatly appreciated. (FYI One active home group member has chaired Friday nights continuously for the last two years). Otherwise, PBP is making a \$40.00 area donation this month. Amy B. will celebrate 5 years on August 17th as an active NA member. We thank area for its continued support and for all you do to help the struggling addict.

Respectfully, Amy B. GSR
