***Subcommittee Reports:**

***Area Chair Report:** Hey Family. I have been reading over the policy to become familiar with it as well as Robert's Rules or Order. Trying to find my footing to serve as area chair to the best of my ability. Please do not hesitate to reach out to me with any questions or concerns. Other than that I do not have anything new to report. In Loving Service. Brooklyn W.

***Vice Chair Report:** 1.). I attended the P.U.S.H. Ministries in Parkersburg on Saturday, May 30th with another member, per the request of one of their members. We were received with a warm welcome. There were a total of 12 people in attendance at the meeting. The group proctor, J Malcolm, conducted the meeting and welcomed everybody. He asked pastor Jill to open the meeting with the serenity prayer. After Pastor Jill finished the serenity prayer she shared on how to live in the today and not in the past or in the future. She then asked everybody to go around the room and share on this of how this affects your life and how to do this in your own life. Then room then started to share on this topic. The room was filled with mostly members who are mostly ordered there by drug court as a condition of their drug court program sometimes they are drug tested before or after the meeting also as a condition of their drug court program. J Malcolm made it very evident at the beginning of the meeting that this is a generic recovery program and they have no intentions or no interest in labeling this meeting as AA, NA, gamblers anonymous or anything like that eve still, I introduced myself as the vice chair of the new river valley area of narcotics anonymous and offered them a stack of meeting list to let them know where the NA meetings are throughout the New River Valley and offered them a stack of flyers for our upcoming poker run and barbecue and invited them to attend that was received with a warm welcome. Most people in the room took a meeting list and a flyer. There was no seventh tradition collected. There was no key tags offered at then end of the meeting. J Malcom went around the room and asked everyone in the room if they had used today or when the last time was that they used if they had not one person shared that they had used today There were others that had recently used which she shared with them that could be a problem for them, but he stressed and stated that honesty open mindedness and wellness is one of the foundations of a program of recovery. Overall it was a wonderful meeting however, one Takeaway is they do not want to become an NA

meeting. They are going to be a generic recovery meeting and that is what they want so I see no need for us to continue to attend their they are a drug court type meeting that seems to be what their purpose is what their charge is by the courts and why the people go there is because they are court order to attend this specific meeting as it was mentioned several times throughout the meeting itself so I see no further time or energy is needed to be spent on this particular meeting place.

*It was brought to my attention, today at the Outreach subcommittee that members of the above group would like to split off and start their own N.A. meeting.

***Outreach Report:** Hello Family, I'm an addict named Michael S reporting for the outreach committee. Things are going well and our needs are met. We continue to take an H & I meeting weekly into the Pyramid Rehab Center in Fairlawn on Tuesday nights at 7 PM, volunteers are always welcome so long as they go through our orientation first. Attendance to the meeting is good and we

consistently give away IPs and white books. We are in contact with Giles county who wish to start their own NA meeting and will support these addicts with literature and other supplies as and when it is needed. The Outreach committee continues to donate literature to the area - we are currently focused on handing literature directly to New Life attendees at the meetings they attend. Today we have basic texts to give to GSRs for groups that New Life attends. We will be meeting on Friday afternoon this week to post flyers with basic NA information around the area, please get with me after if you want to participate or take flyers to post on your own. This month we are ordering 4 basic texts and a total of 30 IPs to donate and furnish the rack at Pyramid. Thanks for letting me be of service! Best, Michael

PBP remains grateful to Area for its continued support and we appreciate all that Area does to carry the message to the New River Valley. Thank you for allowing me to serve. Respectfully, Amy B. GSR

***Ideals:** We meet every Monday at noon, 401 Center. Average attendance between 5 and 10 addicts, Average income a couple of dollars per meeting. No celebrations.

*Nominations: none

***Open Forum:** Michael S asked why do we order our literature through Free State rather than World Service? Answer: We began using Free State rather than World Service many years ago because of the difference in shipping costs [Free State is cheaper] and the turn around time when placing an order and the time it takes to receive the order is less using Free State. It may be time to look at shipping turn around time and shipping costs and consider all of our options. The Literature chair can look at other options besides Free State to determine what is best for Literature orders.

***Old Business:** Motion 0.001 *Set the Treasurer report as the last report to be read* and Motion 0.002 *Add chair and vice chair report to the agenda* were taken back to the home groups. Both motions passed home groups unanimously, there were no abstentions and no "no" votes.

Poker Run and Barbecue: PBP will supply ketchup for the barbecue. Other home groups will determine what they will contribute.

***New Business:** *Take back to home groups - What can home groups contribute to the Scaghead Olympics on July 12th, 2025?* The Olympics will be held at Bissett Park Shelter # 1 from 10 AM until 2 PM. Sandwiches will be provided so anything home groups can contribute will be greatly appreciated. Please let Erica or Lauren know if your home group can help.
