Visualizing the Labyrinth for Champions

Creating Unified Workplaces™

Helping champions kick-off their organizations Unified Workplace initiatives. This workshop answers the following questions:

1. What are the different types of biases within the workplace and how do they hinder creativity, diversity and innovation?
3. How to identify biases, counter unconscious bias and cultivate new habits?
4. How to create new habit formation across the organization?
5. What is the foundation of a unified workplace?
6. What are the 12 Building Blocks to Unity?
7. What are the critical Unity Skills and how can we measure these soft skills?
8. What does your personal and organizational labyrinth look like?
9. How do we create a practical action plan for creating a Unified Workplace™?
10. How do we best support our unity champions?

Kick Start Your Unified Workplace Initiatives

Visualizing the Labyrinth: Setting the Foundation

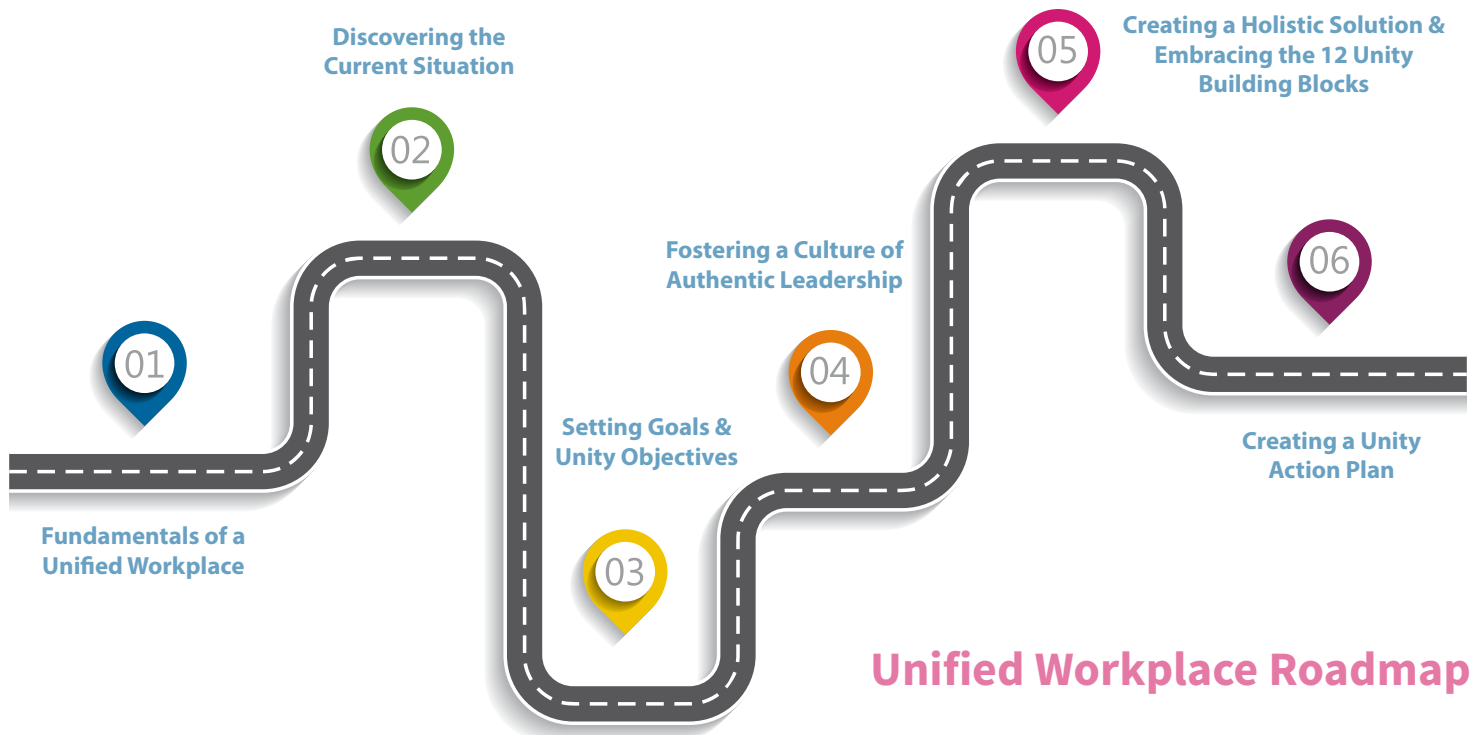

Champions Session

Designed for champions responsible for leading the organization towards achieving unity in the workplace.

This workshop provides a transformative experience, helping champions understand the fundamentals of creating a Unified Workplace, discover their current situation, set goals, learn how to create a culture of authentic leadership, and create a holistic strategy and action plan for moving forward.

Let us help you on your journey toward closing the gender gap and increasing performance and profitability!
