DAY**

#EACHFOREQUAL

What is YOUR organization doing to CELEBRATE International Women's Day?

Want to be more *diverse, inclusive, collaborative and innovative* but don't know where to start?

Celebrate with Women Leadership Nations

Culture Shift Workshop: New Approaches to Advancing Unity

This 2-hour virtual workshop will give you *actionable approaches to support gender diversity and help you create a more inclusive, collaborative and innovative organization!*

You will be ready to:

- Apply **new approaches** and solutions to achieve Unity in your organization
- Become a successful **Unity Champion** and create a culture that supports diversity, inclusion, collaboration and innovation.
- Utilize a **practical technique** to address sub conscious bias and use different lenses to integrate diversity of thought, perspective, experience and personality.
- **Implement strategies** to maintain a strong corporate culture while working in a hybrid/virtual office environment
- Execute your short-term goals, commit to closing the gender gap and **create a more Unified Workplace™**.

Diversity is not just compliance or a program to be managed, it is a **business imperative**. In this training you will learn what it means to be a Unified Workplace and understand how **critical diversity is to the success of your business**.

Who should attend:

- Executive Teams
- Leadership Teams
- Management
- All Department Groups

WLN helps organizations cultivate integrated workplaces where everyone's strengths are utilized, **communication is effective, collaboration is radical**, and leaders lead consciously to maximize personal and team performances, productivity and innovation. **Gender diversity is NOT a Zero-Sum Game, it is a win-win.**

International Women's Day Pricing for the whole month of March **only \$4,999** for groups or teams of up to 30 people.
