# ABOUT US

Dofen trading company specialises in electrical supply and mechanical hardware including Telecommunication and Artificial intelligence devices and many more equipment in the field.

We are based in Riyadh, Saudi Arabia. This places us in a great location to serve the Kingdom's capital city and the surrounding regions.

Dofen is well-equipped to cater for all your electrical and mechanical requirements. We provide a wide range of electrical supplies, from simple sockets to large cables and all other electrical and mechanical materials. At Dofen we pride ourselves on delivering an unrivalled level of customer service.

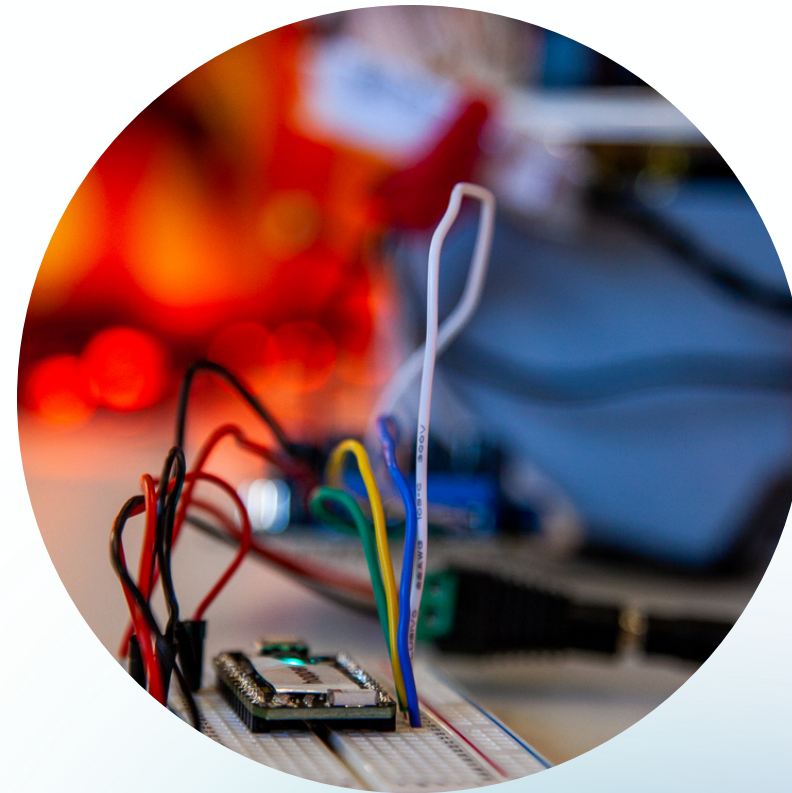

**DOFEN**
