

# Felt Making at the Norfolk School of Gardening – Summer 2021

## Combining Fibres and Exploring Surfaces

On this two-day course you can get creative with combining processed and naturally dyed materials, to create rich, tactile surfaces. You will be able to develop your skills and ideas by wet and needle felting with natural fibres, fleeces, and yarns.

**Dates:** 10<sup>th</sup> and 11<sup>th</sup> of August

**Times:** 10am-3pm

**Cost:** £150.00

**Booking:** [info@norfolkschoolofgardening.co.uk](mailto:info@norfolkschoolofgardening.co.uk)

## Developing Colour and Form

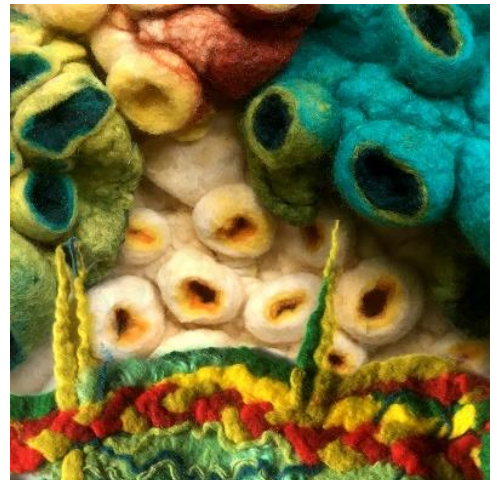

On this two-day course you will be celebrating colour and developing techniques, to create sculptural and imaginative felt pieces. You will be able to combine materials and processes to build up and cut away layers of dyed fleece and construct free standing forms.

**Dates:** 17<sup>th</sup> and 18<sup>th</sup> of August

**Times:** 10am-3pm

**Cost:** £150.00

**Booking:** [info@norfolkschoolofgardening.co.uk](mailto:info@norfolkschoolofgardening.co.uk)

## Explorations in Embellishment and Narratives

On this two-day course you will be creating your own felt using the wet felting method. From this you will develop mixed media pieces using a wide range of techniques to embellish your felt. You will be able to create narratives and imagery using hand and machine stitch, appliqué, and beading.

**Dates:** 24<sup>th</sup> and 25<sup>th</sup> of August

**Times:** 10am-3pm

**Cost:** £150.00
