The Garden City Parent Teachers Association (GC PTA) is paying close attention to the latest developments of COVID-19 | Coronavirus. As always, the health and safety of our families and community are our top priorities. We continue to work closely with the school district and will provide you with updates as they are available. As stated in the superintendent's recent letter, currently there are no confirmed cases of the COVID-19 among our students or staff; however, in an abundance of caution, the GC PTA has decided to take the following actions:

- The March 16th Joint Middle School & High School PTA Meeting has been canceled.
- The March 26th Annual PTA Dinner will be rescheduled to a later date.
- The March 27th Middle School/PTA/SEPTA Family Bingo Night has been canceled.
- The March 31st High School Guidance & PTA Annual College Major Night will be rescheduled to a later date, if possible.
- The April 1st Joint Elementary PTA Meeting has been canceled.
- The April 6th District-wide Reflections Ceremony will be rescheduled to a later date, if possible.

We encourage all families to follow CDC best practices when it comes to your family's health and safety.

We understand these are trying times. Thank you for your understanding and cooperation as we all work through this situation together. Please follow us on social media & check emails for any updates.

We sincerely thank you for your continued support of the GC PTA.
