Fomin Side Table

Fomin Side Table

Modern and stylish piece of furniture that is perfect for use in various settings, such as at home, in the office, or at a hotel lounge. The table features a 10 mm thick tempered black tinted round glass top and a matching 10 mm thick black tempered glass base with a chrome post, providing a sturdy and durable design.

The table has a sleek and contemporary look that will complement any decor, and its perfect size makes it adaptable to a variety of spaces. The base glass has a diameter of 12 inches, while the top is 16 inches in circumference, the height of the post is 20 inches, providing ample space to place drinks, books, or other items.

The materials used in the construction of the Fomin side table are of high quality, ensuring that it is built to last. The design of the table is also well thought out, making it both functional and aesthetically pleasing.

Overall, the Fomin side table is a great choice for anyone looking for a modern and versatile piece of furniture that can be used in a variety of settings. Its sturdy and quality design, combined with its good looks, make it an excellent investment that will last for years to come.
