2. Alterations or improvements require **prior** written approval by your Board. Prior written consent of adjoining unit owners. **(Verify in your documents under Article XIV Maintenance and Alterations)**
3. Work may not begin until you receive written approval of the Board of Directors and signed Management's Review. Work must be completed within 90 days of approval. It is the unit owner's responsibility to notify the Board of Directors when work is completed.
4. **Unit Owner is responsible for obtaining current license and insurance information (prior to start of any work) for any vendor whose information is not currently on file with Management and included on the Kings Point Contractors List.** Home improvement centers (such as Lowe's or Home Depot) use subcontractors for installation. Please secure the subcontractors name, phone number and a contact name (if possible). A copy of the subcontractor's license and insurance must be secured prior to work beginning.
5. In limited circumstances your governing documents may require a vote of unit owners before changes can be made to the Limited Common Area or Common Area; i.e. approval of 75% or 100% of the total vote of the unit owners. **Signatures are not a substitute for a unit owner vote. Verify in your documents under Article XIV Maintenance and Alterations.** Please check with your CAM/Board of Directors for additional clarification.
6. FirstService Residential will email a copy of this Request for Alteration form to the Irrigation Entity (the Master Association) for the purpose of surveying the area for irrigation lines. The requestor of this form will be copied on the email that is sent. Irrigation modifications of any kind (including those required for pouring of a slab) are the sole responsibility of the unit owner, including obtaining approval and any costs associated with irrigation checks or modifications. Unit owner is responsible for providing any additional information or documentation to the Irrigation Entity if required. **Only the entity that maintains the irrigation system is authorized to approve and complete the irrigation line check. Unit owner is responsible for contacting the Irrigation Entity (the Master Association) and FirstService Residential upon completion of project to schedule reconnection of irrigation.** If a slab is poured without review of the irrigation system, the unit owner will be responsible for all expenses related to any irrigation line damage or future repairs should a line running under a slab break.
7. Minor Alterations such as planting of small plants, spot painting, etc. where unit owner lists themselves as contractor, is the sole responsibility of the unit owner and said unit owner assumes full responsibility and holds harmless any and all others any liabilities. Unit owner shall not tap into or modify the irrigation for their unit owner beds.
8. Unit owners may not install their own irrigation/watering system/lines using potable water.
