HELLO *and* WELCOME

First of all, thank you so much for booking a time to chat with me. I'm genuinely looking forward to getting to know you and hearing your story.

I know booking a portrait experience - especially a boudoir session - can feel a little exciting... and maybe a little intimidating too. If you're feeling nervous, please know you're in very good company. Almost every woman I photograph tells me she felt exactly the same way.

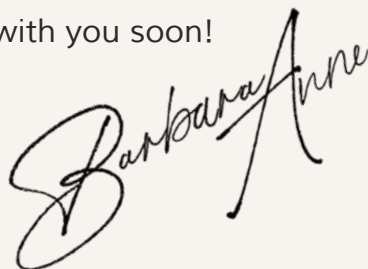

Our phone call is simply a chance for us to get to know each other. We'll talk about what inspired you to consider a boudoir session, answer any questions you have, and explore what you'd love your portrait experience to look and feel like. There's no pressure and no expectations - just a relaxed conversation.

In the meantime, I wanted to send you this guide to introduce you to my studio and give you a little glimpse into what makes these portrait experiences so special.

My hope is that, as you flip through these pages, you'll begin to imagine what's possible for you.

I can't wait to chat with you soon!

Warmly,
