

## **ISB statement regarding Maggie Atkinson**

The ISB regrets it has been necessary to ask Maggie Atkinson Chair of ISB, to step aside whilst the ICO investigates. We support their decision. The ISB recognises and is grateful for all the work undertaken to date by Maggie. The ISB acknowledges the importance of keeping personal data safe. The work of the ISB continues with the shortly to be published first report into survivor experiences authored by Survivor Advocate Lead Jasvinder Sanghera CBE.
