

Copper Lakes Residents Update

February 25, 2025 – Petition for a Special Meeting of the Members

As many of you know, several volunteer homeowners collected signatures from fellow Copper Lakes homeowners in support of calling a Special Meeting of the Members. Thanks to your participation, a total of 275 signatures were gathered from mid-last week through yesterday, which represents 20% of the homeowners and is well over the 10% requirement for such a request.

On February 25, 2025, three Copper Lakes homeowners and Members formally handed over the signed petitions requesting a Special Meeting of the Members to the Copper Lakes Management Company (InfraMark) representative. The submission included:

- Letter outlining the Members' request for a Special Meeting of the Members
- Original signature sheets for the petition calling for a Special Meeting of the Members for the purpose of amending the Bylaws and one Article of Incorporation
- Proposed amendments to the Bylaws and one Article of Incorporation to be discussed and voted upon during the Special Meeting of the Members.

It was explicitly stated that the requested Special Meeting of the Members is to be held **in person**.

During the submission process, the HOA's management company representative declined to provide written acknowledgment of receipt for the documentation package, but did, in fact, receive the documents listed above and stated she would submit them.

Next Steps in this Process:

According to the current Bylaws, written or printed notice stating the place, day and hour of the Special Meeting of the Members will be delivered either personally or by mail to each member entitled to a vote at the meeting between 10 and 50 days before the date of such meeting, by or at the direction of the President or Secretary or officer or person calling the meeting. The purpose of the meeting will be stated in the notice.

The notice should also include the proposed amendments to be considered by the Members at the meeting.
