RE: Copper Lakes Longenbaugh Pool - Construction Closure

We are excited to announce that the Mud 173 has commenced construction on the Longenbaugh Recreation Facility (see illustrations below), the construction project is anticipated to take 6 – 8 months. During this time the Longenbaugh pool will be closed.

With the closure of the Longenbaugh pool, the Copper Lakes Board and A-Beautiful Pools have worked together to amend the pool schedule for the West Rd. Pool, located at 17411 Jade Ridge, allowing for the pool to be opened seven days a week (see amended schedule below).

Thank you for your patience during the construction of the Longenbaugh Recreation Facility. If you have any questions or concerns, please contact Inframark at 281-870-0585 or via email angela.bumann@inframark.com.
