UPDATE ON THE COPPER LAKES SCHEDULING OF A SPECIAL MEETING OF THE MEMBERS
vs. Regular monthly HOA Board Meeting

Recently the residents of Copper Lakes were notified of the regular monthly meeting of the HOA Board, being held by Zoom Monday March 31st.

This is NOT the Special Meeting the residents have requested in order to consider bylaws amendments requested via the recent community petition many of you signed.

Advocates for the Special Meeting were delighted to receive notification today, that the HOA attorney has confirmed the HOA Board will be determining the date and suitable location for the Special Meeting in the coming week.

The current expectation is that the Special Meeting of residents to consider and vote on the proposed bylaw amendments will be scheduled in mid-to-late April 2025.

We will keep you informed as more information becomes available.
