Intro To Edge Class

Embrace Your Power: Lead Like a Woman

Have you been interested in attending Leading or Rising with Edge? Would you like to try it out? Need more information before participating? Now you have the opportunity! This interactive workshop is open to all curious women who would like to give Edge a try, this will give you a feel for what Edge is all about!

We will explore The Ivy Network's three pronged approach to leadership empowerment: *Introspection, Skills and Strategies*. This approach raises awareness and offers solutions demonstrating how to overcome issues that limit your confidence & inhibit your leadership abilities. Learn how you can shift the paradigm of limiting beliefs to one of empowered inspirational leadership.
