The Broken Arrow

President's Message

Greetings fellow archers,

October is here and the weather is finally starting break which means it's time to get ready for our upcoming Shoots. In just a couple weeks we will be kicking it off with the Haunted Canyon night shoot on the 26th, I hope see everyone out there.

We also have our other shoots coming up in December and February and there will be plenty of prep work that needs to be done around the range prior to our shoots. I am hoping we are able to get volunteers to help out with our range clean up days, with the first being in the first part of November. If you are able, I hope you can come lend a hand.

I'd like to say congratulations to those members who were able to tag out during the earlier seasons and good luck to those heading out for the upcoming rifle seasons. Good luck and straight shooting to all the archers heading out to any of the many upcoming archery tournaments throughout the state.

See you on the range,

Fritz Hoff, President

Scotty's Scribbles

Welcome cooler weather!

As it cools down, I'm hoping to see more of you at the range.

I would like to say congratulations to some of our members that were able to get their tags filled: Gage and Brenan Reese, Debbie Elliott, as well as a first-time big game harvester, Dayzen Silva. So as not to leave out those that still have hunts scheduled, good luck!

Nov. 2nd is our annual range clean-up day. We will also be attacking the restroom upgrades at that time. All those willing and able to donate some of their time, please do so.

As you all know, it's that time of year where we look at our elections for the upcoming year. Start think of that one person who you think may want to be a new officer. Nominations will be opening soon.

The Haunted Canyon 3D Night Fun Shoot is in a few weeks, so get your gear ready and your flashlights warmed up. It should be a good time; hope to see everyone out there.

Until next time, shoot often, shoot straight, and feel free to not out-shoot me.

General Meeting Minutes

Date: October 6, 2024

Time: 9:00 a.m.

Type of Meeting: General Members

Meeting Facilitator: Fritz Hoff, President

Attendees: Rick Bielke, Scott Covey, Kelvin Drapeau, Tanja Eiben, Debbie Elliott, Bryon Green, Bryan Herndon, Fritz Hoff, Uschi House, Austin Magdaleno, Efrain Morales, Jr., Nicholas Muños, Brent Redger, David Wetherholt.

- I. Call to order:*** The meeting was called to order at 9:00am by President Fritz Holtz.
- II. Approval of minutes from last meeting:*** Motion to accept the minutes as written was made by Bryan Herndon; seconded by Austin Magdaleno. Motion passed.
- III. Treasurer's Report:*** Kelvin reported that we have \$7,806.16 in the main account; \$453.72 in the JOAD account, for a total of \$8,295.88.
- IV. Open issues/Old Business:***
 - a) Haunted Canyon, Oct. 26** – Kelvin stated he won't be at this shoot due to a prior commitment. Desi will be making "Walking Tacos" for the shoot. Debbie will be buying the rest of the supplies for the concession stand for this shoot.

- b) **Range Clean-up/Work Party** – The work party will be on November 2nd from 8:00am to 12 Noon. Kelvin has been working on cutting carpet to make new butts for targets (Thank you to Big Bob’s Flooring Outlet in Yuma!) and will need people to help cut and assemble the carpet. Gump is going to call Willy for Roll-off for cotton bales for the range. Since no one has really been down in the river bottom since last year, someone will need to take the ATV down to see how much brush needs to be cut in order to determine if we need to rent a chipper like last year.
- c) **Shirts and hats:** – Scott says that Sean & Dundee can turn them around in a week. Discussion ensued about whether we should change the artwork on the hats and (maybe) shirts. David Wetherholt has a ram that he has drawn that would make a nice patch to be adhered to the new hats. No decision was made on changing the artwork on the shirts. Bryon Green moved that the club authorize up to \$1,500 for new hats and shirts; Austin 2nd the motion. Motion passed.

V. *New Business:*

a) **Prizes for High Noon on the Gila** –

- **Adult Prizes** - Scott wanted to determine what the club wanted for prizes for adults for High Noon on the Gila – Do we want to go with the same dipped tumblers, or do we want engraved tumblers? It was decided that we go with engraved tumblers.
- **Kids’ Prizes:** It was determined that kids will receive plaques again this year. There will be two new divisions for Cub and Youth shooters: There will be a ‘beginning’ division which will be for kids with Genesis-type or otherwise ‘bare’ bows, and an ‘Open’ division for those who have sights, stabilizers, etc., therefore there will be four more plaques required than last year. TFR will sponsor the plaques for the kids’ prizes.

- b) **Raffle Prizes** – Debbie asked that the club develop a Donations committee to procure prizes for the two big shoots: High Noon on the Gila and Walk the Trail. She also asked if the club wants to try to get Bow N Arrow Shop to sell us another bow at cost like last year, and it was suggested that we contact Willow Creek Archery for a really high-end bow to raffle off. Tickets will be sold at High Noon on the Gila and Walk the Trail shoots, with the winner being drawn at the conclusion of Walk the Trail.

VI. *Items from the floor:*

- a) **Plumbing for restrooms** – Gump is going to be checking on plumbing supplies for the restroom remodel with a local plumbing supply company.
- b) **Solar lights** - It was suggested that we purchase more solar light fixtures for night security, much like the ones we purchased last year.
- c) **Targets** – It was suggested that we investigate purchasing “blem” targets from Rinehart and/or Morrell in order to save money. They are guaranteed to be structurally sound with only minor cosmetic blemishes. Example: “Rinehart Signature Jimmy Big Tine Deer” target, usually \$399.99, blemished is \$259.99.
- d) **Water jugs** – Members are requested to save their 1-gallon water bottles to be used for one of the novelty shoots at the High Noon on the Gila and Walk the Trail shoots.

VII. *Adjournment:* Fritz asked if there was any further business to discuss. Gump moved that we adjourn the meeting; Scott seconded the motion. Motion passed. Meeting was adjourned at 9:35am.

****Next scheduled meeting will be November 3rd, 2024****

Respectfully Submitted,
Debbie Elliott, Secretary

Random thoughts and happenings

Greetings fellow archers!

I don't know about you, but it seems that this has been one of the longest, hottest summers I can think of. Maybe I'm just getting older, but the cooler days are really appreciated, not only because we can spend more time outside, but hunting season is upon us. I'd like to congratulate all you who harvested this fall. I just returned from a successful antelope hunt in Wyoming, and I'm really looking forward to my archery bull hunt next month!

As mentioned before, we have a lot going on as our archery season progresses – Haunted Canyon, Oct. 26; Hunt for Charity, Dec. 7 & 8; High Noon on the Gila, Feb. 8 & 9; Walk the Trail, Feb. 15 & 16. These events

are our main events for the season, and we will need ‘all hands on deck’ to make them successful.

We also have our first and largest work party of the season on Nov. 2nd from 8:00am to Noon in preparation for our big shoots. No matter your expertise or physical capabilities, we can - and will - find something you can help with. Our volunteers are what make this club so successful, and this season will be no different. And, I have it on good authority that Brian (Gump) Herndon is supplying pizza for lunch for all who work the entire time!

And, before I forget, our membership drive will begin next month. Remember, memberships run from January 1st through December 31st each year. New for the 2025 year, we are now offering a “Gold Membership” for \$200 for individuals, which includes all your Sunday Fun Shoot fees for the entire year. That’s a saving of up to \$50.00 per year!

So, until next month, stay safe and shoot straight,

Debbie Elliott, Secretary

ELK RAGU

4.7 Stars (1 Reviews)

Some of the best dishes take time to reach perfection. Filling the kitchen with rich aromas of wonderfully paired ingredients, elk ragu prepared in a slow cooker is the ultimate dish for early fall. I can promise, it's well worth the wait for you and your guests.

Prep Time: 10 min **Cook Time:** 6 – 8 hours **Serves:** 6 – 8

INGREDIENTS

- 2 – 3 lb elk roast, thawed and patted dry
- 4 tbsp olive oil
- 1 ¼ cups yellow onion, diced
- 1 cup each of roughly chopped carrots and celery
- 4 cloves of garlic, minced
- 1 ½ cups Zinfandel red wine
- 4 cups beef broth
- 1 can (28 oz) crushed tomatoes
- 1 tbsp thyme leaves
- 1tbsp rosemary leaves, chopped
- 1tsp salt and pepper – more to season if needed
- 1 8.8-oz packages Pappardelle noodles
- 1 cup parmesan cheese, shredded
- ½ cup parsley, roughly chopped

PREPARATION

1. In a skillet, warm 2 tbsp olive oil on medium heat. Place roast in skillet and brown on all sides.
2. In a separate pan, heat remaining 2 tbsp olive oil over medium heat and add onions, carrots, celery and garlic. Sauté for 5 – 8 minutes until the onions are translucent. Transfer to a slow cooker such as a Crock-pot.
3. Add beef broth, wine, tomatoes, thyme, rosemary, salt pepper and ¼ cup chopped parsley to slow cooker. Mix well.
