# Boomerang Cares Challenge

## Do A Kind Act

Brighten someone's day with a coffee, write a thank-you note, offer a ride, donate a meal, or compliment someone's new hair cut. It doesn't have to be big — it just has to be heartfelt and caring.

## Pass The Chip

Give the chip to someone you helped or someone who needs a lift. Let them know they're part of a kindness movement — one that brings support full circle, like a boomerang.

## Pass The Act

Ask them to also do a kind act, pass the chip, and share their story too. That's how kindness keeps traveling, growing stronger with every exchange.

## Share Your Story

Tag us on Facebook or Instagram and use #BoomerangCaresChallenge to be entered into a drawing for a \$250 gift card — either to help your family or pay it forward.

The Boomerang Cares Challenge is a quarterly giveaway where you could win a \$250 gift card! Drawings are held throughout the year, including a special holiday edition, bringing a little extra cheer to families when it's needed most.
