## Coach/Asst. Coach Evaluation Form

As Stettler Minor Football seeks to continually improve and provide a more rewarding experience for our players and families, we ask for your input. The program appreciates the great people who volunteer to manage/coach our children. We would not have a program without them. However, we also need to develop our team coaches just as we do our players, and would like your thoughts about the coach/assistant coaches of your team this season. Please take some time to provide your assessment of your child's current team coaches. We need you to be candid and thoughtful in your response, which will be held in the strictest of confidence. We will consolidate all the feedback and use it in two ways: one, the coach selection committee will use it to select coaches next season, and two, as feedback to help SMFA understand where we can improve in teaching the coaches. We appreciate your support and commitment to our program.

Please return this form to the President of Stettler minor football
